PROGRAM AMENDMENTS  
STIP Amendment 98S-138  
Action Item  
CTC Meeting: July 19-20, 2000

Agenda Item: 2.1a.(3)

Original Signed By  
W. J. EVANS, Deputy Director  
Finance  
July 1, 2000

**STIP AMENDMENT 98S-138 ACTION**

**ACTION UPDATE FROM NOTICE**

This item was noticed at the June 2000 Commission meeting; the Commission requested the Action Item be placed on the consent calendar as originally proposed.

**SUMMARY**

This amendment programs \$860,000 from Sierra County's Unprogrammed Balance for two new roadway rehabilitation projects and one new visitor center project in Sierra County.

**RECOMMENDATION**

The Sierra County Transportation Commission is requesting this amendment. The Department has reviewed the amendment and found it to be consistent with the Commission adopted STIP guidelines.

**RESOLUTION**

Resolved, that the California Transportation Commission (CTC) revise the 1998 State Transportation Improvement Program (STIP) at the end of the 30 day notice period as follows:

**Adds:**

July 19-20, 2000

## **BACKGROUND**

This amendment programs \$860,000 from Sierra County's Unprogrammed Balance for two new roadway rehabilitation projects (\$500,000 and \$110,000) and one new visitor center project (\$250,000) in Sierra County.

The first roadway rehabilitation project is near Sierra City from the Plumas County line to Route 49. Regional Improvement Program (RIP) funds of \$500,000 will be used as a match for the \$3,000,000 Federal Highway Administration contribution to the project. Total project cost is \$3,500,000.

The second roadway rehabilitation project is in Alleghany on Ridge Road. This project is programmed for environmental and permits for \$110,000 in RIP funding. Future funding needed for this project is estimated at \$1,935,000 and construction is targeted for Fiscal Year 2003/04.

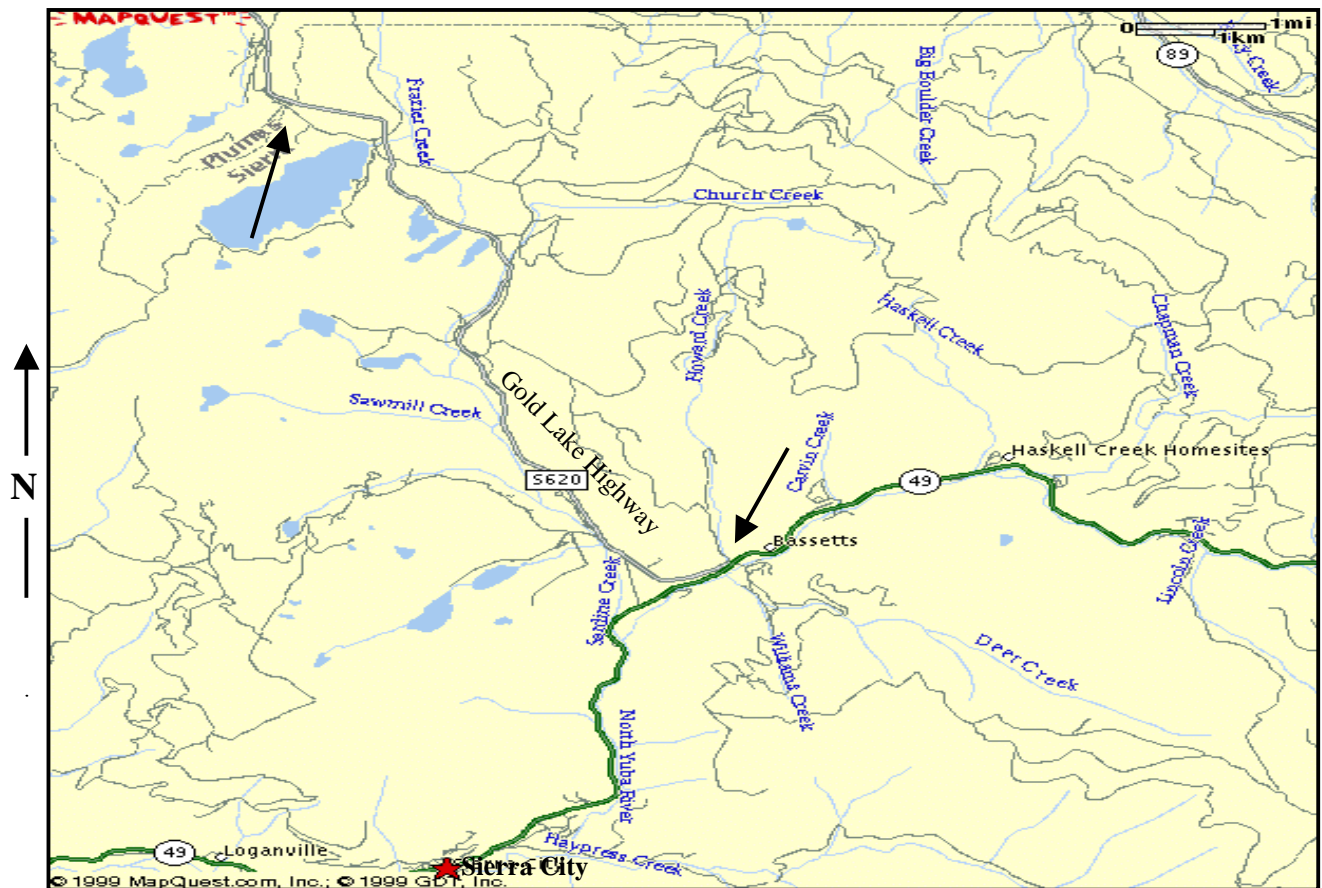

The visitor center project is in Sierra City adjacent to Route 49. This project will provide a traveler's information board, public restrooms, paved parking, sidewalks/paths, picnic tables and landscaping. Total project cost is \$250,000 in RIP funds.
